

## WELL CHILD VISIT SCHEDULE

### NEWBORN FOLLOW UP

After discharge from the hospital you will be given an appointment for a newborn follow up. This appointment is important for you to keep. This appointment evaluates feeding and jaundice issues.

### TWO WEEK FOLLOW UP AND WEIGHT CHECKS

After your initial newborn visit, your provider will have you follow up in two weeks. During this nurse run clinic, your infant will have their weight checked to make sure they are gaining the right amount and any other services as ordered by the provider. This is an excellent time for you to ask any questions. Please write your questions down and bring them with you.

### FULL WELL CHILD VISIT SCHEDULE

**IMPORTANT:** Click the link for the appropriate visit schedule to view more information about visit guidance, required forms, questionnaires, etc. Please bring all completed forms and documentation with you to the appointment. Also, please give any day care or school forms you need completed to the nurse as soon as you are taken into an exam room.
